2014 Shaver Lake Winter Games at China Peak

February 23 - 25

Special Olympics

We need your help!

The Special Olympics at China Peak are the ***only*** winter games annually held in California. Funds raised stay in the Shaver community and positively impact the local economy.

We need your financial support to make this important event successful! Donations are used to purchase food and awards for each participant as well as to provide cabin cleaning fees. Dinner will be served on Sunday and Monday, and participants will enjoy breakfast on Monday and Tuesday.

Free lodging will be provided by local cabin owners and the following organizations will cook for the 200 athletes, their families, coaches and officials: The Shaver Lake Civic League, The Shaver Lake Volunteer Fire Department, Birthday Club, Auberry Intermountain Rotary Club and The Shaver Lake Lions Club.

"Your donation is greatly appreciated"- Thank You, Barbara Hankins, Event Chair

You can donate online at GoShaver.com
Or you can send checks payable to the
Shaver Lake Lions Special Olympics at
